Heritage Impact Assessment (HIA)
Checklist:
Capital Works Projects
Project Title : _____

Pursuant to DEVB Technical Circular (Works) No. 11/2007, I confirm the following :

- ☐ (i) There is no heritage site[#] partly or wholly within the project site boundary (inclusive of works area). There is also no heritage site within 50 metres of the project site boundary (inclusive of works area). Please advise whether an HIA is required for this project.
- ☐ (ii) There is no heritage site partly or wholly within the project site boundary (inclusive of works area). However, the following heritage site(s) is/are found within 50 metres of the project site boundary (inclusive of works area). Please advise whether an HIA is required for this project.
- (works agents to list the concerned heritage site(s))
- ☐ (iii) The following heritage site(s) is/are found partly or wholly within the project site boundary (inclusive of works area). Please advise whether an HIA is required for this project.
- (works agents to list the concerned heritage site(s))

2. A copy of the location plan* with the 50-meter zone from the project site boundary (inclusive of works area) indicated and the project scope to substantiate our above assessment is attached for your reference.
