Dear Tom and Bernard,

On behalf of the Government Hill Concern Group, I hereby send you our written submission for members of the expert panel and the AAB re the current grading assessment of the Central Government Offices on Government Hill.

I also attach a set of related HKIA submissions at the request of our member, Mr Ken Borthwick who is a member of HKIA. The third attachment is a paper by Ken in the Government Hill Compendium (with minor adjustment).

In addition to this written submission, we will prepare a formal oral presentation to members of the expert panel and the AAB in the coming future.

Thank you for your kind attention and we look forward to hearing from you.

Best regards,

Katty Law
