Subject: Ming Pao weekly magazine's cover story on Gov Hill

Dear AAB members,

I hope this email finds you well.

This week's Ming Pao Weekly (MPW) has an excellent cover story on Government Hill with in-depth research and analysis. We would like to suggest AAB to make available copies to your members for reference.

Please let us know if this can be done.

Thank you for your kind attention.

Best regards,

Katty Law
