主題 : Government's plan to redevelop West Wing of former Central Government Offices

Dear Sir/Madam

I strongly object to the Government's plan to redevelop West Wing of former Central Government Offices.

As announced by the ex-Chairman of the Antiquities Advisory Board ("AAB"), the public can express opinion to the grading of the West Wing of former Central Government Offices.

However, I cannot locate any information about this public consultation. Please advise me the aforesaid information including the communication to send the feedback in respect of the grading and the background information as discussed and decided by the AAB.

Thank you for your attention and assistance.

Regards,

Fung
