Dear AAB,

I support Grade I, Monument Status, for the post 1950's Former Central Government Offices (CGO) precinct and ALL the buildings within the compound.

1. It's 170 year-long history justifies all the buildings being included, just like City Hall.
2. The CGO is an ensemble – not an individual building which acquire top priority to preserve. The taken out of either premises will likely destroy the integrity as well as harmony.
3. Only the three wings together tell the whole story of Governance and witness the history of Hong Kong before / under / after colonial rule.
4. All buildings were designed as a single entity.
5. Adaptive reuse is viable.

Yours sincerely,

LI SZE MAN
