Subject: Give Government Hill Monument Status

Dear AAB,

I support Grade I, Monument Status, for the the post 1950's Former Central Government Offices compond and ALL the buildings within the compound.

1. It's 170 year history justifies all the buidlings being included, just like City Hall.
2. The CGO is an ensemble - not individual buildings.
3. Only the three wings together tell the whole story of Governance.
4. All buildings were designed as a single entitiy.
5. Adaptive reuse is viable.

Regards,
